

Terms and Conditions 2024

Courses

1. All our Spanish courses are held **Monday-Friday** as the school remains closed on weekends. The school is open throughout the year except for two weeks at Christmas. During national and regional holidays, the classes will not be rescheduled, however, students will be offered a discount of 30€/35€ (Intensive) and 50€/55€ (Super-Intensive) for bank holidays.
2. In order to confirm a reservation, an **enrolment** form must be filled out by the student and a **payment of 150€ (deposit)** must be made, either by bank transfer (EU only), bank card or Paypal. **The balance must be paid at least 7 days before arrival**, excluding **accommodation** which will be paid at the school in cash.
3. All our group courses are **for adults (over 16)** and involve an enrolment fee and a cost that can be checked on <https://www.elaulaazul.com/es/categoria-producto/para-adultos/>. Should a student wish to prolong their course, they should communicate this at least a week in advance, and should, at that time, pay the cost of the extra weeks of study.
4. The student's level will be determined by a **placement test** that they will have to send to the school no later than 2 weeks before the start of the course. The test should be taken without help or resources. The test will allow them to be assigned to a group and to be given a timetable. Otherwise, the school cannot guarantee the correct level classification or changes to another group once the course has started.
5. All our courses require a **minimum of 3 students** to open a group and will have a maximum of 9/10 students per class. In the case of Intensive and Super-Intensive courses when courses start every Monday, if there aren't enough people of the required, we offer the option of swapping the "Intensive course" for an "Intensive one to one" where for the same price, the student would have 1.5 hours of private lessons per day. If there are two people with the same level of ability, for the same price they would have two hours of classes.
6. **Courses for Children:** if there are only two students with the similar age and level a 50 €/child/week supplement applies. If there is only one student a 90€/child/week supplement applies.
7. **Cancellations** are permitted under the following conditions:
 - 15 days or more before the course starts: we will refund all fees paid less 40 € (Registration Fee).
 - 14 days or less before the course starts: all fees become non-refundable.**Any banking charges which may apply to the transfer are the responsibility of the student.*
8. If, for reasons outside of El Aula Azul, cancellations occur once the course has started and has been paid, the student is not entitled to a refund. Furthermore, El Aula Azul reserves the right to suspend students from lessons for inappropriate behaviour, without refund of the fees paid. Should El Aula Azul need to cancel a course due to unforeseeable circumstances, all fees paid by the student will be refunded.
9. The student may change the starting date for the course at least 7 days before the course starts with no additional charge. Accommodation may be modified with at least 15 days' notice or 100€ charge will be applied.
10. For the students that request an **Admission Letter** from the school in order to get a student's VISA, full amount for the course will be paid before the certificate is sent. Once the visa has been issued, there is **NO REFUND** for cancelled courses and no modifications will be allowed. In case the student is not issued the Visa, the student will have to send the original copy of the denial of visa letter to the school in order to receive the refund of the amount they have paid for the course, less 200€ the school will retain in administration fees.

11. The price of the course includes learning materials, access to El Aula Azul's internet resources, participation in all free activities, free WIFI access and loaning of the school's books and DVD's.
12. The amount paid for the course does not include any type of insurance. The student must be fully insured and is responsible for having the correct travel documents, travel insurance and medical insurance. Any non-compliance as well as damages is solely the responsibility of the student.
13. El Aula Azul is not responsible for any loss, damage or injuries to the persons or property caused by the student.

Accommodation

1. El Aula Azul offers a service of assisting in the search for accommodation for the duration of the course and only for adults (18 years). El Aula Azul acts as an intermediary between the landlords of the flats from our database who want to rent a room, and the students who want to rent them.
2. Accommodation is only available when booking an Intensive, Super-Intensive or Special Senior course and while the course takes place.
3. The student will be notified of the exact location of the flat on Wednesday prior to arrival. Rooms are reserved from **Sunday 18:00 p.m. prior to course starting date to Saturday 12:00 a.m.** after the course ends and additional days will be charge as extra days. Extra days will not be possible to book in high season.
4. All students should inform the school or the host family of their estimated arrival time to San Sebastián.
5. El Aula Azul guarantees that the selected flats will provide an individual room (unless otherwise stated) and communal areas (kitchen, sitting room and bathroom) which are shared with the other habitants of the flat, with the owner of the flat among them.
6. The accommodation offered by El Aula Azul is in single standard rooms in "flat-share", where students must adhere to the flat rules related to cleaning, use of communal spaces etc. Flats can be located within 5 to 30 minutes from the school either by walking or by public transport.

In the event of such a disagreement, El Aula Azul agrees to act as an intermediary, with the aim of finding a solution which ensures the student has the most satisfactory stay possible. El Aula Azul will offer a change of accommodation or other solutions as far as possible, as long as the student is willing to pay any possible costs incurred for these efforts.
